

London

LONDON TRIP PACKAGE (6 nights)

LONDON: London is the capital city of England. London is a popular city for students because of its attractions, parks, museums, art galleries and leisure activities. Prime meridian line passes through Greenwich, which is very close to London. With a population of 8 million, it is the second most crowded city in European Union. There are more than 300 languages spoken in London. For that reason, London offers multicultural environment to socialise with other nationalities. London has very well established colleges and universities such as University College London (UCL), Imperial College London, and King's College London.

Accommodation and Meal:

Double rooms will be provided at 3 stars hotel in London. Breakfast and dinner will be given through out the programme. Breakfast will be given as European breakfast at the hotel and Turkish traditional dinner will be offered outside.

Travel:

The activities will be made in London by using London public transports (tube, bus, train) with daily travel cards. Private mini buses are used for the trips that are organised outside of London.

London Eye: It is the tallest Ferris wheel in Europe. It is the most popular paid tourist attraction in the United Kingdom, visited by over 3.5 million people annually, and has made many appearances in popular culture. One revolution of London Eye takes about 30 minutes.

Buckingham Palace: Buckingham Palace has served as the official London residence of Britain's sovereigns since 1837. More than 50,000 people visit the Palace each year as guests to receptions, the Royal Garden Parties and many more occasions. Although in use for the many official events and receptions held by The Queen, the State Rooms at Buckingham Palace are open to visitors every year.

Stamford Bridge: It is the stadium of Chelsea football team. Chelsea is within London Borough of Hammersmith and Fulham. Their supporters and fans name it as The Bridge. Chelsea organised their home games in this stadium. In accordance with 42,000 people capacity, it is the 9th biggest football stadium in England.

Madame Tussauds: Madame Tussauds is a major tourist attraction in London, displaying waxworks of historical and royal figures, film stars, and sports stars. Tussauds created her first wax figure, of Voltaire, in 1777. Madame Tussauds is owned now and operated by Merlin Entertainments.

Warner Bros London: The studio first has been released in 2012. Students can visit the film set of Harry Potter. Visitors have a chance to taking pictures of the film costumes and watch many interesting shows at the studio.

Big Ben: It is a clock tower that is next to Westminster Palace. The tower holds the largest four-faced chiming clock in the world and is the third-tallest freestanding clock tower. The tower has become one of the most prominent symbols of both London and England and is often in the establishing shot of films set in the city.

Palace of Westminster: The Palace of Westminster is the meeting place of the House of Commons and the House of Lords, the two houses of the Parliament of the United Kingdom. Commonly known as the Houses of Parliament after its tenants, the Palace lies on the Middlesex bank of the River Thames in the City of Westminster, in central London.

Oxford: It is a city with a population of 244,000 in central southern England. It is the county town of Oxfordshire. The city is known worldwide as a university town and home of the University of Oxford, the oldest university in the country and in the English-speaking world. It is one of the most popular places with the architecture and culture.
